Dear Bob,

9 June '16

Thank you so much for your contribution of photos and drawings from the Round Barn concrete reconstruction project. These artifacts will enhance the Round Barn archives and, indirectly, the Felhofer archives as well. I noticed a number of people looking over your material in our museum exhibit. Thank you for allowing me to use it. The information helped flesh out more of the Round Barn history. I hope you were able to see it up!

Thank you again!

Kim
